KENSTONIAN

'69

Kenston High School is a conglomerate of seemingly unrelated activities. However, as each of the three basic activities is placed in the spotlight and recognized as a scene of Kenston, they begin to blend into one. Taken individually, these scenes somehow seem incomplete, but together they begin to form a larger, more perfect picture. Finally, putting all the individuals in the spotlight, the picture is completed. All the scenes of activity and people overlap and blend together forming the unity we call Kenston. So look closely, the KENSTONIAN is a picture of you--in the spotlight.

THE SPORTS SCENE

At Kenston interscholastic sports occupy a large place in the students' lives. Not only do the seven sports in which we compete annually keep the team members busy, but they also provide the rest of the student body with many exciting hours of entertainment. This year, Kenston has been very successful in its athletic endeavors in the C.V.A.C. In fact we're "movin' on up" more and more every year.

Cross Country Overruns

Spiked Team Comes Up Winner

Cross country is a sport requiring speed, endurance and dedication. It consists of each man running an average course of two miles. In interviewing the cross country coach, William O'Neil, we quote him as saying, "This year we fielded the strongest most dedicated team we've ever had. Our most valuable man was Tyrone Lacy and the most improved was Regan Savage." Following is the final record of the team which our men gallantly compiled through the rains of fall.

Bair Takes KHS from Cellar

The other autumn athletic endeavor at Kenston is, of course, football. This sport consists of forcibly moving an off-round pigskin over 100 yards of mud. This season the varsity Bombers had their best season in 8 years with a 5--4 record. At the same time the J.V.'s enjoyed a 5--2 record while the freshmen revelled in the glory of an undefeated season. Earning special recognition on the varsity squad were:

Roundballers Roll

Basketball season lasts four months of the school year. To have a winning season, a team must have skill, dedication, and fine coaching. Kenston had these basics, shown by our Varsity, J.V., and Freshmen records and a fine tournament display. Only Chagrin Falls escaped being beaten by us, as Kenston finished second in the conference. This team is the best in Kenston's history, but next year, we hope to take it all!

Kenston Bounces To Victory

Mat Men Mangle Opponents

Wrestling is a four month season, the requirements for which are exhausting. Wrestlers must endure not only the rigors of physical exertion, but also the pangs of hunger as they starve themselves to make weight. A seasonal story of 6--4 can't tell the whole story, as the Varsity team endured many injuries at the very start of the season. Nonetheless we had four wrestlers at districts again this year to represent our great team.

Coach Gorby

Coach O'Neil tempered by assistants Brooks, Gorby, and Perry must take the final bow for the year's success. His unrelenting attitudes of work and sacrifice lit the way for a great, confident team.

Our Congratulations to the mile relay team of Dick Hart, Emory Lynch, Tom Stark, and Tyrone Lacy who finished 5th in the State Meet and 3rd in the Ohio Classic.

We also congratulate the Freshman team (below) who finished in their conference.

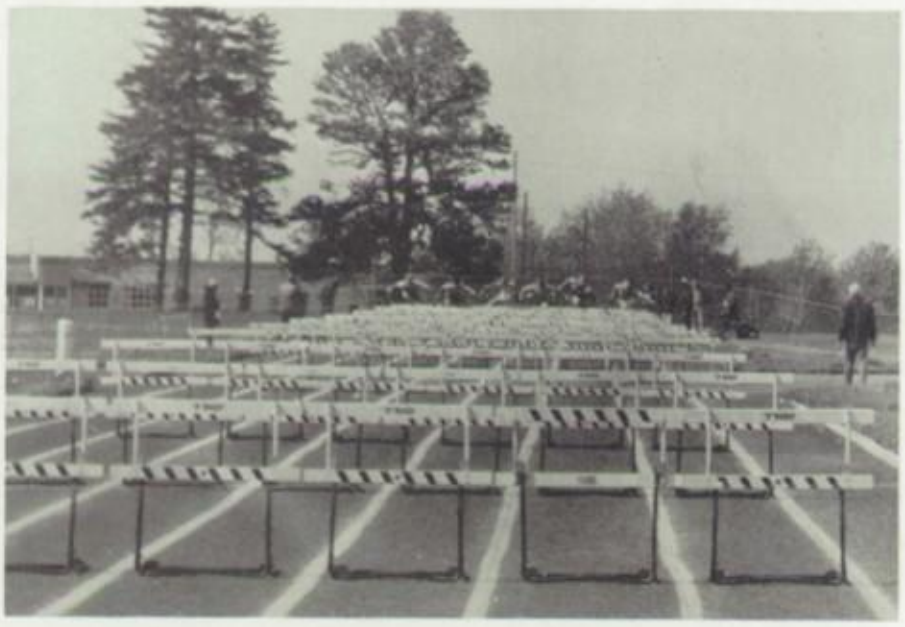
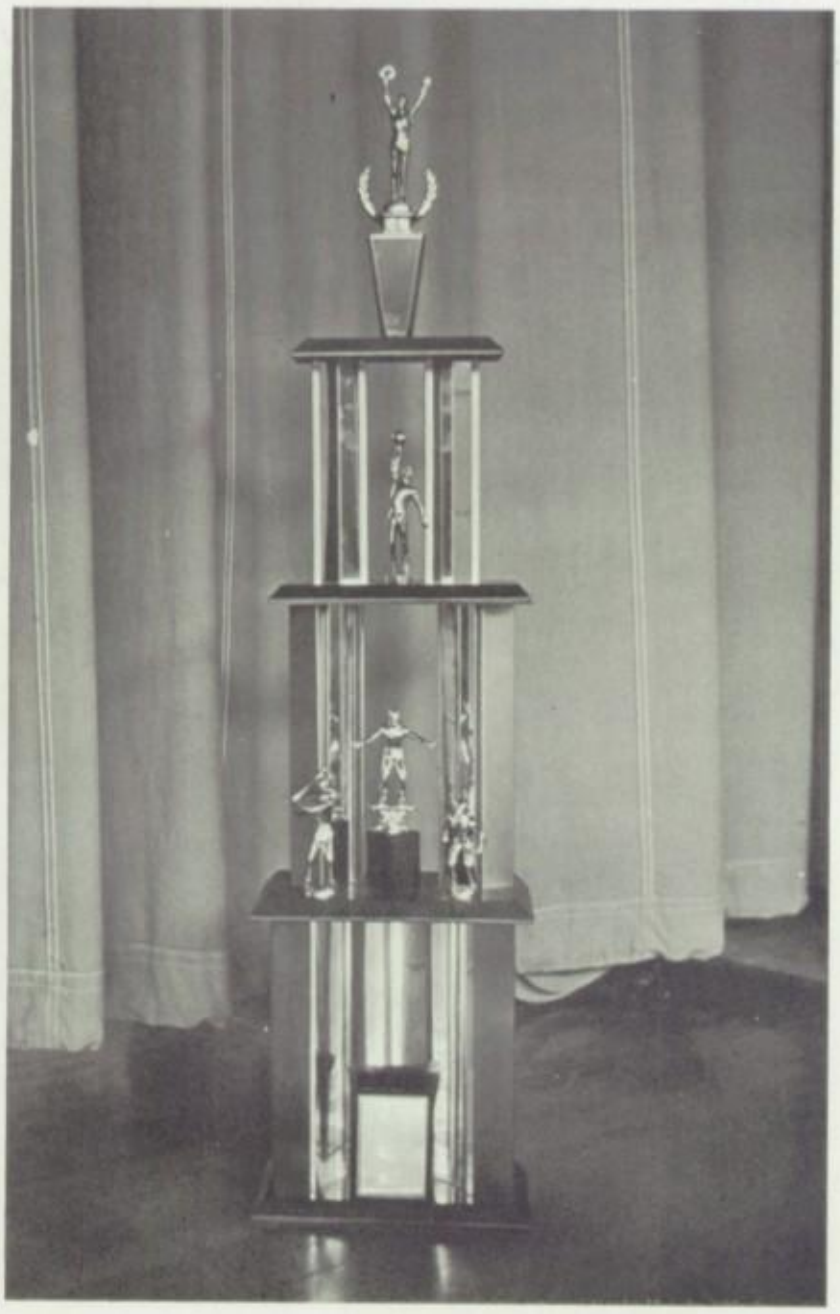
The Burners . . .

Records were set this year in the long jump, 440, shots, discus, both hurdles, and the mile relay. Kenston had league champs in both relays, both hurdles, the 440, and the 880.

Kenston's final step towards the All Sports Trophy was "hurdled" by our track team. Led by a host of hard working seniors the team won the first C.V.C. championship as the mile relay team broke the final tape at Solon. Not only did the team accomplish this but also Coach O'Neil led Tyrone Lacy in the 440, Jack Seeger in the high hurdles, and the mile relay team to the State meet and later the Ohio classic, placing well in each.





THE SOCIAL SCENE

Among Kenston's many extra-curricular activities are several independent clubs. These provide the student with varying interests a chance to get involved with more students outside the everyday classroom framework. These clubs are more deeply concerned with special ideas and compliment our regular classes. It is hoped that this section of your book will not only serve to remind this years members of their activities but also help to introduce these worthy organizations to future Kenstonites.

ENCYCLOPEDIAS

Cheerleaders Spirit

Cheerleaders Leaping

Cheerleaders represent Kenston on all the levels of athletic contests: Freshmen, J.V., and two Varsity squads with the addition of the wrestling cheerleaders last year. All five squads lead the student body in the school spirit and enthusiasm. They spend many hours practicing, making posters and preparing the pep rallies. We extend all our thanks to these girls for their services to Kenston.

Our Bombadears

The Bombadears were organized last fall as a precision drill team to compliment our marching band's half time entertainment. Under the direction of Mrs. Hoefler, the girls gained experience as the year progressed and next year should be a fine addition to the sports program.

Keynote on Music

Mr. Skala has done a very commendable job with our band since he took control last fall. While Kenston's bands have always performed excellently, we of the staff feel they deserve even more credit this year. Their fine performance at the Ohio regional band contest is evidence of our band's merit. The specialized groups that represent the band should not be overlooked, such as the clarinet and brass choirs.

A Valuable Addition

Leading on the Band

As known, our Marching Band was excellent this season but even then it needed a little something extra. This "something" was supplied by the majorettes and banner carriers. Through cold and wet weather these girls performed their duties to the delight of the grandstanders.

Banner Carriers: B. Chappell, S. Citro, D. Beiger, P. Behan.

Majorettes: L. Martell, L. Seeger, C. Kopas, S. Mooney, J. Shields, D. Stiftar.

Kenston's Noted Groups

Our chorus this year under the supervision of Mrs. Finch was an excellent organization. They performed at various assemblies, the Kenston Kabaret and held a concert in the spring. Members of our chorus also belong to the County Chorus which is composed of chorus members from every school in the county. The Boys' Glee Club and Girls' Glee Club join with the chorus at performances.

What Pep !

The most enthusiastic and spirited club of our school is the Pep Club. Its members support our teams and encourage them on to victory with the help of the cheerleaders. Throughout the year the Pep Club made posters and put on pep skits for the benefit of our men in action.

K. Ryan, President, D. Drogus, Sec., S. Watt, Treas.

Kenston's Kickiest Klub

The K-Klub is an organization of varsity athletes who have earned a letter. The work and pain involved, as indicated to the left, is hard to imagine unless one is involved. And this is true for any of the sports. After earning a letter the prospective member must survive initiation to become one of the "men". The Klub also buys athletic awards and trophies and tries to promote greater spirit and a feeling of unity among its members. Still, as far as initiations go, the good old days are gone. Let's hope they return.

Striking and Snowed Students

Miss Scheel advises the Bowling Club, who meet every Tuesday at the Bainbridge Colonial Lanes. There were 15 teams of 3 members each. At the end of the year trophies were presented to outstanding student bowlers.

The extracurricular activity with the most ups and downs would probably be the Ski Club. Its activity is confined to the slopes of Mt. Chalet except for the ski weekend which was held at Seven Springs, Pennsylvania. All the members who attended, including advisors Mr. Shively and Miss Scheel, said the skiing was "poor to excellent."

They Learn and Earn

Kenston's vocational department offers extensive opportunities in work study programs. These are open to both young men (pictured below) and young women (pictured opposite). The DTC and COE programs are only part of the opportunities available to interested students. The Vocational Industrial Clubs of America give these students a chance to develop the necessary skills to enter the labor market. Of course, their high school education is an essential part of this training, but the experience and responsibility that accompanies "on the job training" can't be taught in any classroom.

Mrs. Rubensal serves as advisor to the girls of F.N.A. Hopefully their dreams will materialize and they will become the Florence Nightengales of the future.

FHA Call Themselves Homley

Future Homemakers of America is comprised of the girls who are learning the finer arts of homemaking. The club's activities consist of workshops, field trips and they also run the concession stand at basketball games.

Future Who's Who

The F.B.L.A. is a national organization of promising young men and women enrolled in business courses at Kenston. The chapter consists of eleven members with Mr. Blackwell as their advisor. Their aim is to number among those people who will lead our country in the business world.

Future What's What

The Future Teachers of America have been very active this year sponsoring the Christmas Carousel and helping the teachers with their paper work to earn points. The members needed these points in order to participate in the spring "student teaching" program.

All Honorable Men

Good Characters

The National Honor Society is a nationwide organization that honors students who are outstanding in the areas of scholarship, leadership, service, and character. Its members are inducted during their junior and senior years. The purpose is to improve Kenston in these areas and increase their personal involvement with people. This year the society granted a token scholarship to a deserving senior.

AFS'ers Make Kenston Warmer

The purpose of AFS is to help foreign exchange students feel at home in their new environment. They were fortunate this year in having two very adaptable students which made their job easy.

Counciled for Our Own Good

Mike Makes It Work

Under its new direction the Student Council became an active organization in the running of our school. Its membership peaked so that fifteen committees were needed to handle all the work. They worked on such varied jobs as a new dress code all the way to planning dances and choosing an outstanding student of the week to be honored with a free dinner at the Fife and Drum. It is the staff's wish that future councils be as successful and as energetic.

The Student Council's many members were led, and chased, through their jobs by the chairmen you see here. Without them many of the Council's accomplishments would not have come about or worked out so smoothly. By a similar token, Kenston's representatives to the Chagrin Valley Conference Student Council returned from their round table discussions with many new and interesting ideas for Kenston to try. You might say these people were our public face while the chairmen were kept privately within the confining walls of Kenston.

Booked Solid: Projecting Ideas

Mrs. Hartwig manages our school library with the never-failing help of the "assistants". Their duties include shelving books, keeping the books in order and getting resource material for student and faculty use. A lot of credit should be given to these students who volunteer their time.

The Drama Club puts on a at least two shows a year. All productions are directed with student assistants under the supervision of Miss Hess. Although most productions are put on by the Drama Club members, one does not have to belong to Drama Club to be in a play or musical. Between shows the Drama Club has regular meetings.

Thespians is an active group of students within the Drama Club. The Drama Club is open to all students but to join the Thespians one has to have a certain amount of points. These points are given to the more active participants of the Drama Club. In these productions the club members are in charge of all phases of the production, from singing to proper lighting to the mood.

Art Club Draws Attention

The Art Club is advised by Mrs. Rogers and has conducted several functions this year. These activities consisted of field trips, making the mosaic window for the office and gathering the pictures that were put up at the Fife 'N Drum Restaurant. This club gives any interested student a chance to improve their artistic ability in a supervised yet free atmosphere.

THE STUDENT'S SCENE

Kenston High School provides for its students many extracurricular activities. Noon Rec is held which offers the students a relaxing and refreshing break in the day. The Drama club also provides entertainment for all who are associated with the school. Many fine plays were presented this year which were a credit to the members of this club. And finally the biggest event of the year, the Prom, is presented. This dance is given primarily for the seniors as a farewell from those left behind.

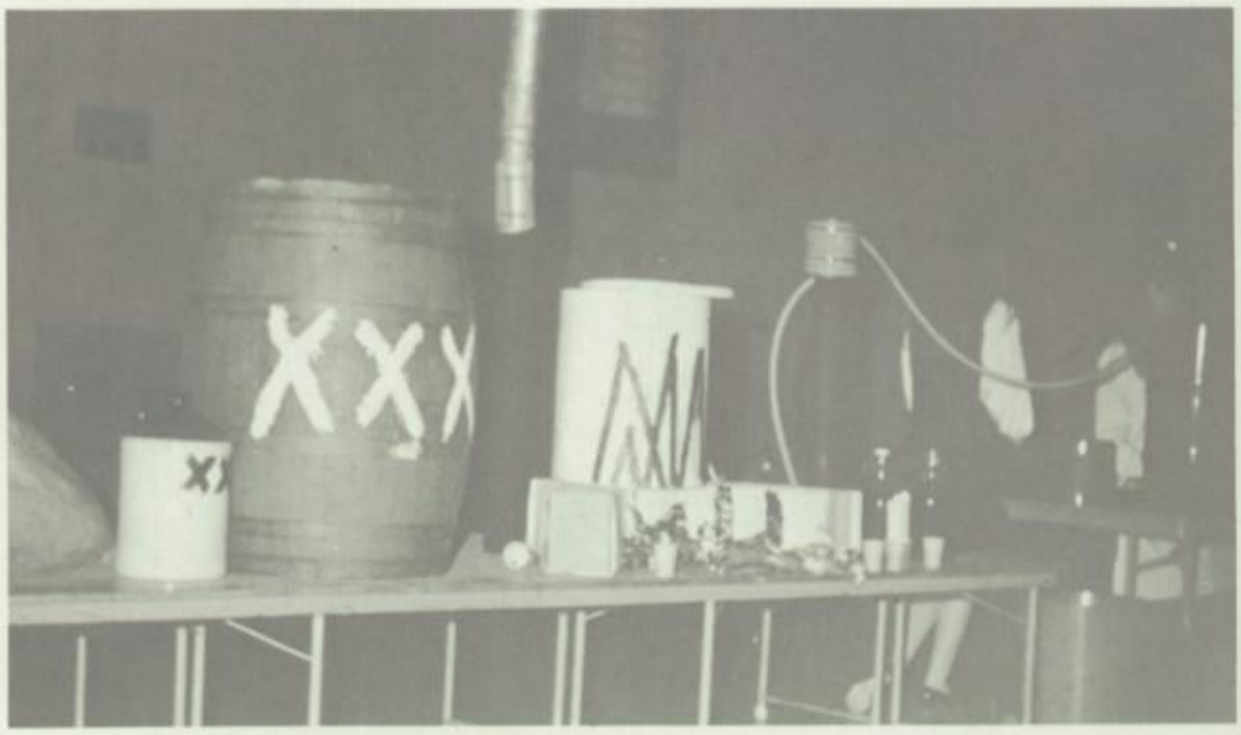
Every Sadie Has Her Day

Marry'n Sam's Big Night

One of this year's most colorful dances was the Sadie Hawkins Dance which was sponsored by the A.F.S. Club. Its theme was taken from the Hillbilly comic strip, Lil' Abner. It was a girl-ask-boy dance and probably helped start a lot of new romances. The mood was set by the Hillbilly decorations and the shananigans of several real live Hillbillies that just happened to mosie on in.



Our visiting A.F.S.ers, Juan Molin-Giner from Spain and Amy Nee from Singapore enjoyed themselves, as did everyone else. The A.F.S. Club (President Sandy Citro) is to be congratulated for a great success.

Our Leaders

Cold Doesn't Stop Safari

Homecoming is one of the most important events of the year. It began one freezing Friday night with the West Geauga football game with pre-game ceremonies honoring the court. Then Saturday night a dance was held where Queen Debbie Walker was crowned and presented roses.

We of the staff feel it is only fair to recognize Terri Korth and Bernie Jacobs and their hard working committee who organized all the festivities. Our hats are off to them all.

Military Ball

Esprit De Corps

The Military Ball was held again this year as Queen Sandy Mooney was crowned by Dale Sipko. Sandy was chosen by the members of band who also invited the athletes and cheerleaders in a dance which was traditionally for them only. Unfortunately, this will be the final year for the Military Ball which has always honored our fine, fine bands.

Season Greetings with a Dance

The Christmas Carousel which was sponsored by the FTA was held December 21. The Papa's Bag provided music and mood for the evening. Queen Sandy Citro was crowned by her escort Pat O'Brien. Smiling through tears of joy, Sandy accepted her tiara which the students bestowed upon her.

Prom 69

For many years the single most important event of every school year is the Junior-Senior Prom. Prom is more than just another evening dance, as any wallet will tell. "Daisy Days" encompassed an entire weekend which involved pre-prom and post-prom parties and Sunday picnicking. This year's Prom was arranged and financed by the Junior Class of 70 who held it at the Tanglewood Motor Inn.

For the graduating seniors, Prom is a climax and one of the final events of their four years. The boys are given (or take) their dates' garters as lasting mementos.

Daisy Days

After the crowning of Queen Bev Diehl, she and King Mark Clemens led the coronation dance in which everyone soon took part. The entertainment was provided by a local band, The Ice Cream, and a bunch of local girls (the guy's dates).

Kabaret Has S.R.O. Crowd

Annual Show Planned

The Kabaret was a variety show which was put on to amuse and entertain the students of Kenston High School. Needless to say this activity, as all held by Kenston students, was excellent. Highlights were musical acts, dramatic skits, and an excellent performance by a domestic ballet troupe. Behind the scenes work was carried out by many of the technical departments of K.H.S. and student volunteers. Heading these people were student director Sally Harvey and advisors Mrs. Finch and Miss Hess.

Bombers Scream to Victory

Spirits Invoked

Pep rallies are used to gather together the students of Kenston and instill in them the spirit to back their teams. At these assemblies, hopefully humorous pep skits are put on to further the enthusiasm and express the appreciation for our athletes which they so deserve.

Little Mary Sunshine

To the sound of stomping feet and whistling mounties Kenston's first musical comedy "Little Mary Sunshine" began. Many of the performers acted as though they had real talent and the singers and dancers carried themselves with a professional quality unexpected on the high school level.

The comedy about Mounties and the last of the Kadotas (that's Ka-do-ta) took place under the Colorado skies of the Bainbridge Middle School Gym. Both performances were well attended, but Saturday's splitting scene in which Yellow Feather was scalped received the greatest applause.

Behind the Scenes

The play was successful in involving not only the Drama Club but dozens of other students and groups. The graphic arts class helped by printing the program; the art club made scenery; and the student body provided the cast. You've got to hand it, not only to Little Mary Sunshine, but also to Miss Hess and Mrs. Finch, who were very merry all the time. Congratulations and thank you to all involved.

Pat

Pat Spence was Kenston's AFS student from South Africa this year. As you see Pat lived with the Green family, Cindy Hostetler, and animal friends.

Pat found life in the States very enjoyable and between house and homework, very busy. She particularly enjoyed our snow and the skiing at Mount Chalet.

Pat visited Washington D.C. after we regretfully said good-bye to her. We all wish her well and hope to see her again someday.

Khamphoune

Kenston's other AFS student this year was Khamphoune Phommachakar from Laos. He lived with the Wehle's and fit right into their family scene in Lake Lucerne.

Phoune was engaged in a busy school schedule but found time for other activities including pool tournaments at local homes.

The seniors and juniors were pleased and honored to have known Phoune this year. Hopefully he will return to Laos with a better understanding of people such as he gave us. We also wish him the best of luck in the future.

Without the 723 students of all four classes, Kenston could not be all that it is. Even biased as our seniors tend to be, even they will admit that everyone, from the freshmen on up, contributes something to our school. The faculty, also, is a vital contributor helping to make up Kenston. This section of the Kenstonian is dedicated to illuminating each individual face, for that is what Kenston is--people.

Faculty Heads Toward Academic Prowress

Administration

The faculty is all important in guiding Kenston's students in the development of their academic skills. It was they who set the examples from which we shaped our lives. It is they who are greatly responsible for the futures we shall have. And let us hope that Kenston will always have such a fine set of leaders to take examples from as we did in 1969.

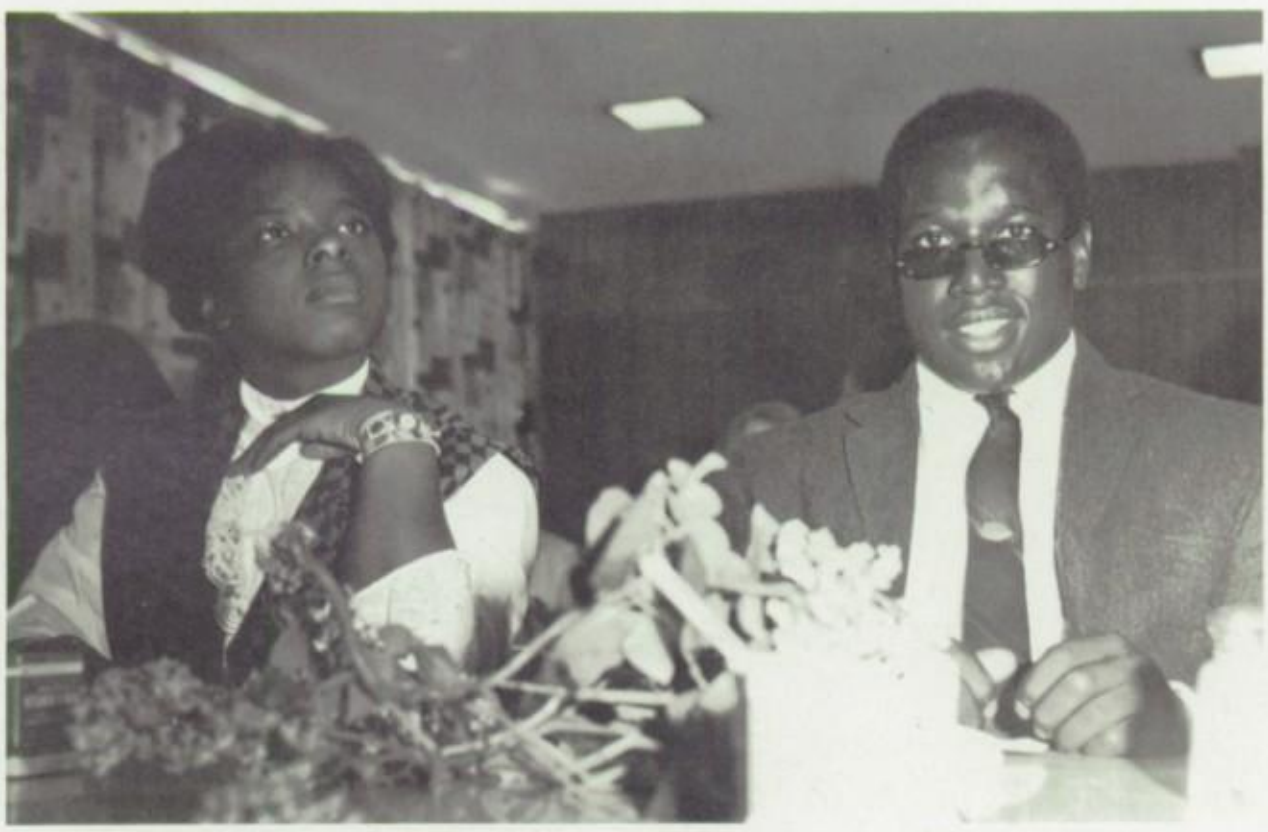
A signpost of the end of the Seniors high school career is the Senior Banquet. At this affair, the Juniors serve the meal and then serve up an evening of entertainment. This traditional night is a highlight of the end of the year. The Seniors come strictly for enjoyment, a chance to relax, and to look lightly at themselves in the midst of the pressures of finals, graduation, Prom, job and school hunting, and so on.

This year, Jim Broomfield and Jeff English handled emcee chores with the aid of gift-giver, Gail Conlin. On the more serious side were a ballad bellowing band, a thespian theater, and the teacher twosome shown. All and all, it was a night a great many Seniors will remember as a symbol of their good times and exploits at Kenston High.

A Farewell Scene



The Final Scene

As the Senior Banquet marked the end of a social career at Kenston, graduation marked the demise of an academic career (for at least three months). The "Jekyll and Hyde" class went out peaceably on a beautiful June night. Led by valedictorian Steve English and salutatorian Cynthia Hostetler the class marched on to the track. The speeches, both scheduled and adlibbed, were given. The class, Thank God, was presented and accepted with all the traditional pomp (under the circumstances) and tassel turning.

And so it ends for this year and these 167 students. Other things await them all, better or worse. Yet, Kenston has been a memorable and enjoyable home for most for the past four years and will not soon be forgotten, as the graduates pictured below will prove. And now the class of 1969 no longer exists, except in this book and the memories that its members left behind. Remember?
